

# Modernized F# logo

This document contains proposals for a slightly modernized F# logo.  
The change mainly concerns the color scheme but also includes cosmetic improvements.

Version 1.0  
Last updated: 2025-11-16

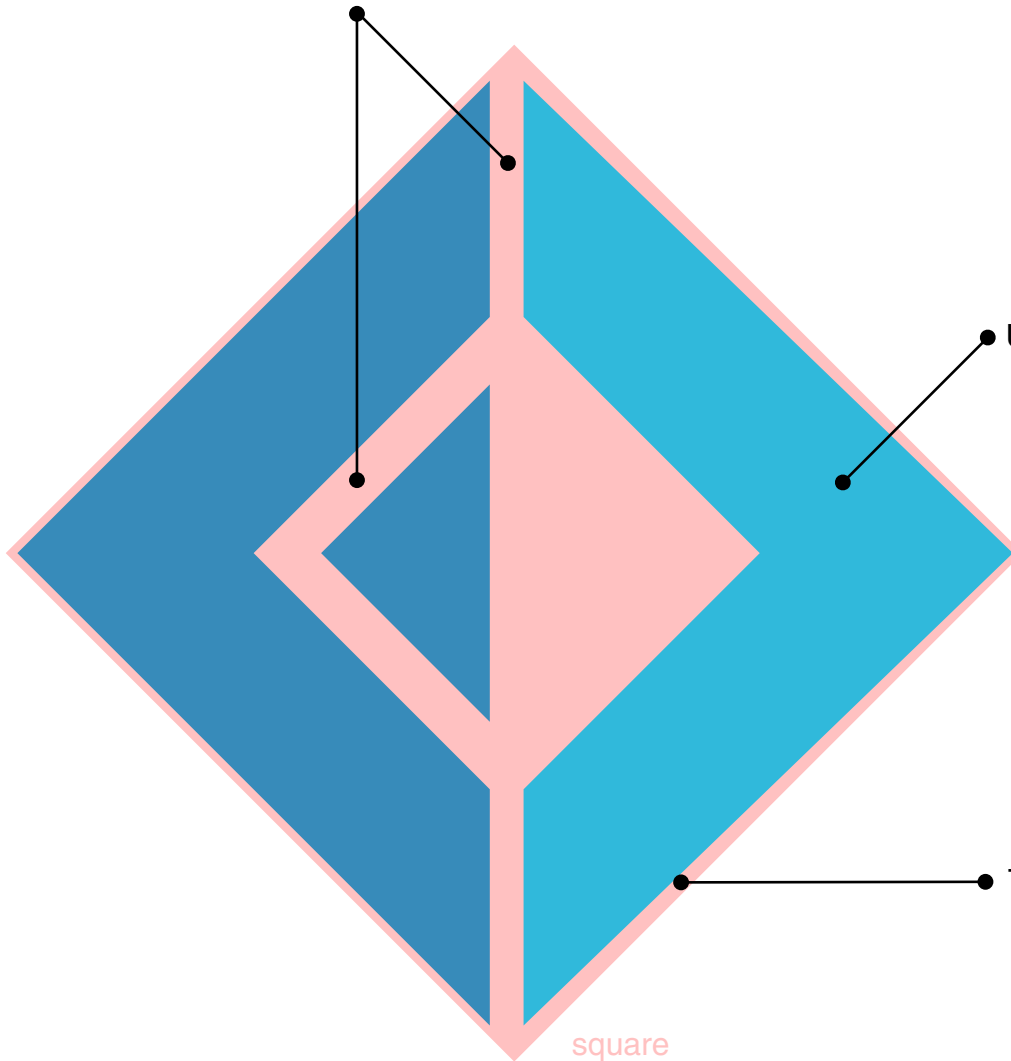

# Old version

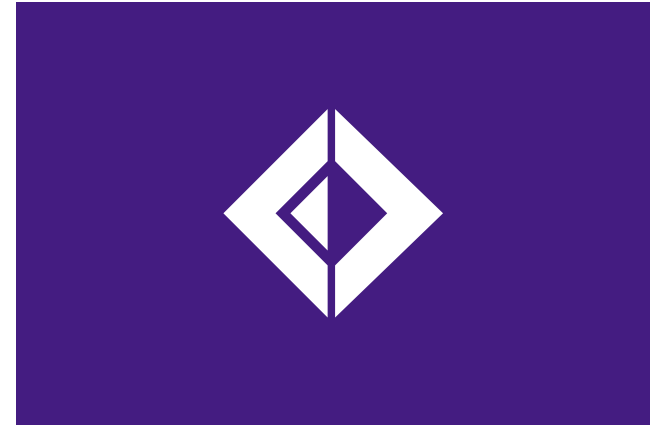

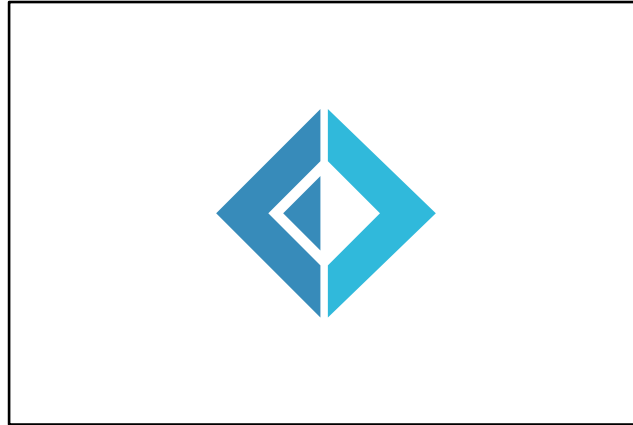

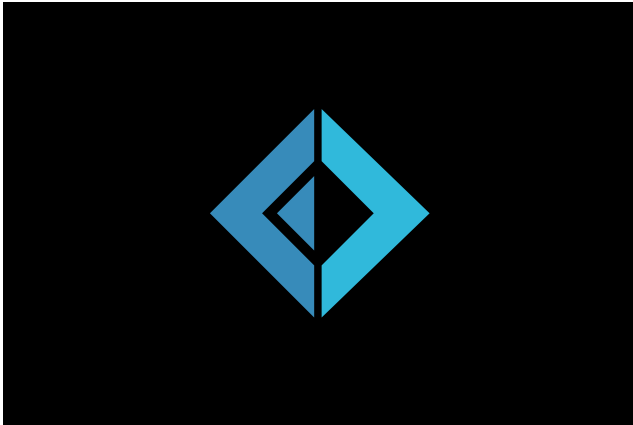

Inconsistency in negative space  
The vertical notch is thinner than the notch within the inner triangle

Uninteresting, washed-out color that doesn't look modern

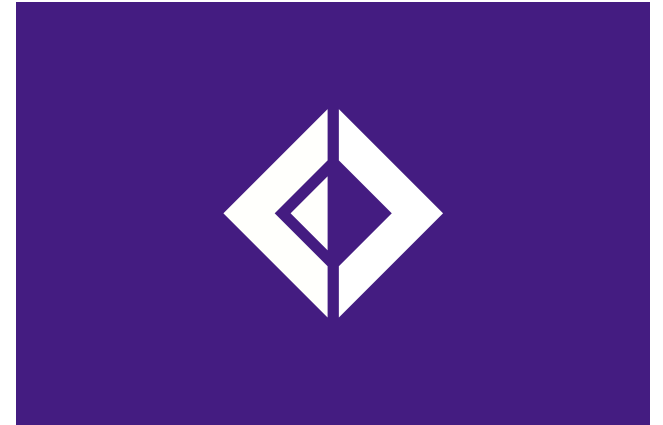

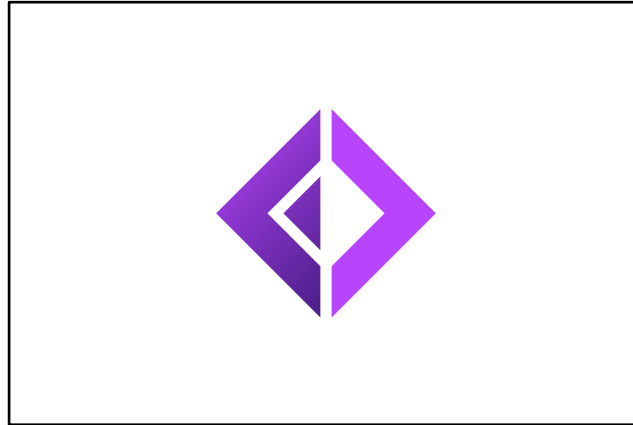

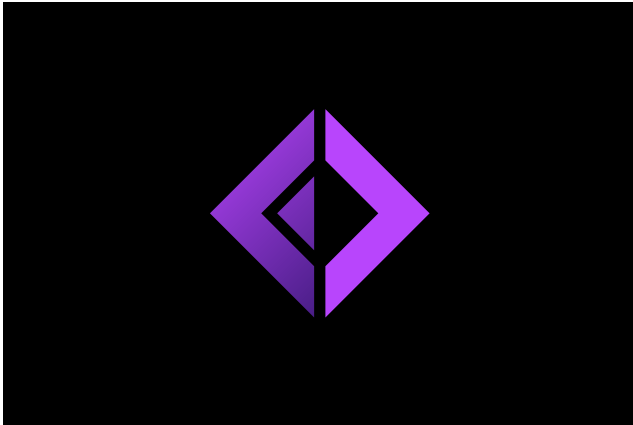

The old logo is not a perfect square, the right side is crooked

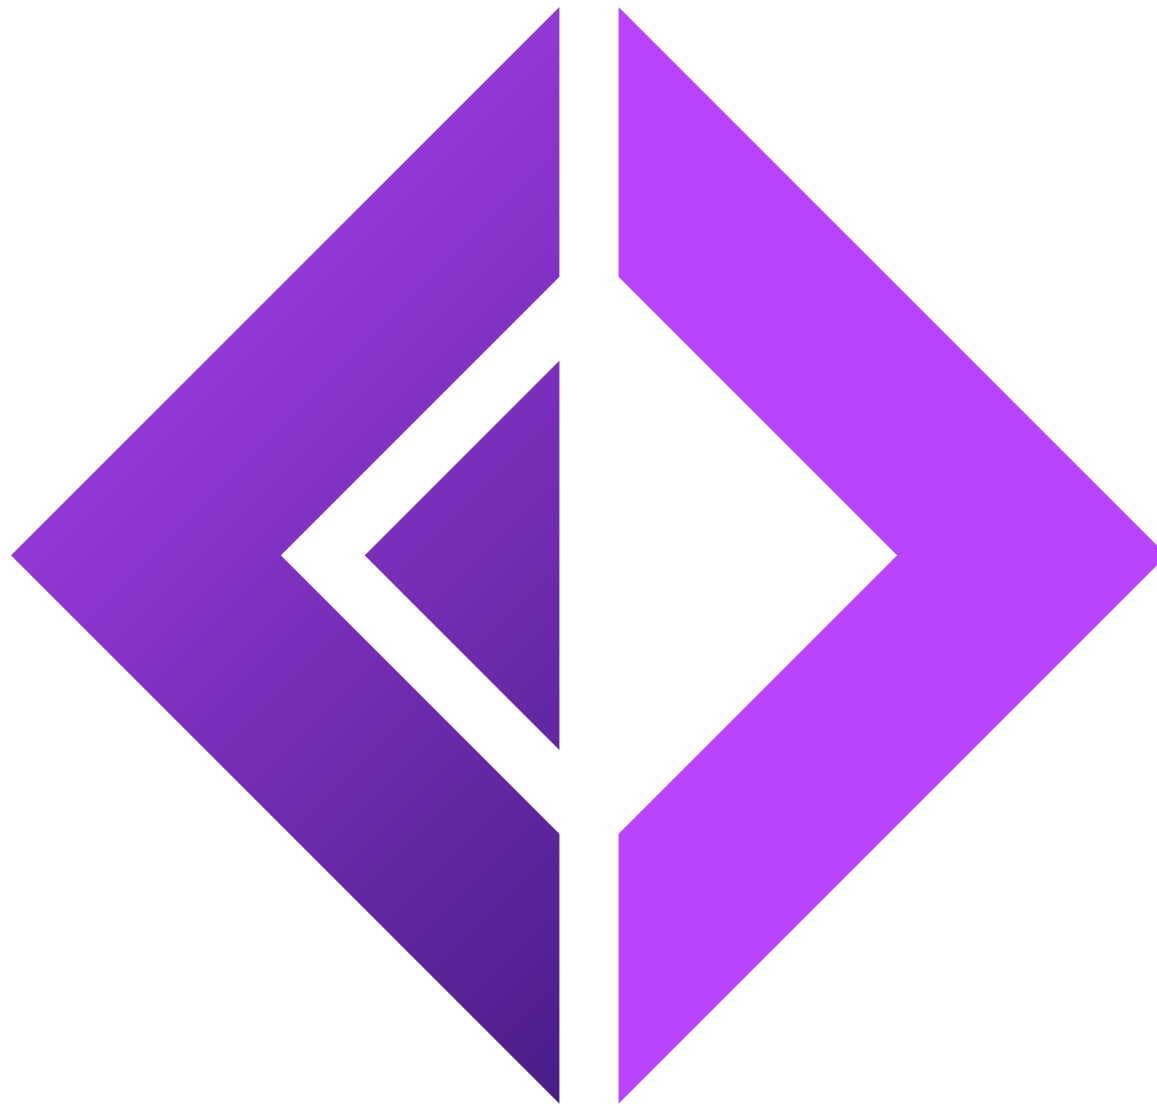

Old

New

This proposal and design have been released under **The Unlicense** license.  
This also applies to the contents of the repository <https://github.com/mg0x7BE/fsharp-logo-proposal>  
where you can find the new version of the logo in popular formats.

Thank you!
